# INTRODUCTION

Mr. Laiyeeq Ahmed

LA industries India is a leading Candle Manufacturing company which manufacture wax candles of all the types along with candle holders, incense stick holders, handicraft, etc. The company was established in 2007 by Mr. Laiyeeq Ahmed. Our team of seasoned industry professionals are the best in the business and at your disposal to help you create, develop, source, and deliver on time and on budget. We understand each of our clients has a unique, individual vision to create what will make their brand shine and our team is ready to take that dream and make it a reality. We always use the best quality ingredients and strive to continuously improve our products to always meet our high, high standards. No parabens, sulfates, phthalate, or animal testing, ever! We export candles in several countries.

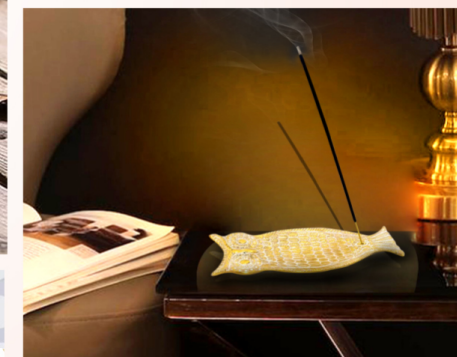

We have in house manufacturing facilities. With years of experience and state of the art technology, we deliver quality candle products to our clients globally. Our price is genuine and reasonable. If you are interested, you can contact us at below mentioned details. We are looking forward to do more production deals with our all valuable clients
